

SAFE

Strategies to Achieve Financial Empowerment

PROGRAM OVERVIEW

SAFE: Strategies to Achieve Financial Empowerment provides adult learners with tools and strategies to enhance personal financial wellness and achieve greater stability. The program equips learners with essential financial knowledge, a growth-oriented mindset, and SMART goal-setting skills to help overcome financial obstacles and achieve lifelong success.

Positively Impact the Communities and Members You Serve

Best-In-Class Curricula Financial Beginnings programming is rooted in instructional design best practices, culturally responsive education (CRE), Social Emotional Learning (SEL), and the latest financial education pedagogy. All materials are created and revised to serve individuals at all income levels.

Program Modules

SAFE includes five modules, each designed for up to 90 minutes of contact education time.
